TO WHOMEVER CONCERN

This is to certify that Infrastructure Professionals Private Limited (IPE) has satisfactorily executed the assignment for "Preparation of Detailed Project Report for Up-gradation of Basic Services to Urban Poor for Lucknow City".

DPR for relocation of 8896 beneficiary families with a total project cost of Rs.182.92 Crores has been approved by CSMC, Government of India on 12th September 2007.

It is worth mentioning here that IPE has put up tremendous efforts in not only preparation of DPR and also getting it scrutinized/reviewed at the city and state level and seeking approval from CSMC, Government of India.

I wish them all the best in all their endeavours.
