About CKD	<p>IPE- Centre for Knowledge & Development (CKD), the knowledge management arm of IPE Global Limited, was established in 2013 to extend the frontiers of knowledge and promote experimentation for innovative solutions to global development challenges. At IPE- CKD we follow the motto of “ideate, ignite & illuminate”.</p> <p>IPE with its expansive work for over 17 years, has undertaken more than 700 projects in the field of international development. The tacit and experiential knowledge from these projects, will be disseminated through various platforms such as documentation, events, advisory notes and publications undertaken by IPE- CKD.</p> <p>Vision: To provide government & non-government organizations, leaders and development firms, a resource base enriched with knowledge and research about global development issues.</p> <p>Mission: At IPE-CKD our mission is to “ideate, ignite & illuminate”. As a knowledge management organization we aim to be thought leaders in the field of international development. By bringing together industry influencers and leaders, CKD hopes to be a catalyst for the genesis of new ideas, implementation strategies and policy level decisions in this sector.</p> <p>By creating a repository of good practices and successful initiatives that have created a lasting impact, at IPE-CKD we hope to shorten the learning curve and enable cross fertilization of knowledge among various organizations across the world.</p>
