

What is iDiscover?

iDiscover is an entry level Graduate / Post Graduate Program for inducting fresh talent in IPE Global Private Limited. The program is aimed at getting talent from various graduate courses, providing an opportunity to the individuals for an exposure to the corporate world, business functions and gain experiential learning.

About IPE Global Private Limited

IPE Global is a multi-disciplinary consulting firm promoted by a few alumni of the London School of Economics (LSE), offering a wide range of integrated, innovative and high-quality consulting services to international agencies, donors and governments across various sectors and practices. We strive to promote 'owned' reforms in the public sector; develop innovative solutions to address specific development challenges; work 'with' governments for internal capacity

Come, be the change you wish to see in the world!

Differentiator
